## **HIRSCH/RANACHQUA COLLEGE ASSISTANCE PROGRAM INFORMATION**

### **\$5,000 COLLEGE ASSISTANCE GRANTS ARE AVAILABLE TO A SCOUTS WHO:**

- Is an active member of a traditional Bronx 'SCOUTS BSA' Troop
  - Will graduate high school in 2022 and enter college during the next academic year
- \*\*\* Note: Bronx residence is no longer required.

Ranachqua Foundation was established 74 years ago by Bronx Boy Scouts who, during the summer months, attended the Ten Mile River Scout Camps.

The summer camp experience provided them with early leadership opportunities that, to a large degree, significantly affected their lives.

This group, a few at first, grew while they worked together each summer and moved into staff positions at camp.

Wanting to encourage others to partake in this program, they raised funds to provide campership money for Bronx scouts who would otherwise not be able to attend.

Currently we assist in providing the opportunity each summer for several hundred boys to attend the Ten Mile River Scout camps and Cub World.

In 2000, we established our "**College Assistance Program.**" The purpose of this program is to provide funds to Bronx Scouts who are active members of a traditional Bronx 'SCOUTS BSA' troop, are graduating high school seniors, and are about to enter college in the Fall, for the purpose of helping with the costs of books, transportation, etc. Selection is based on the evaluation of the applicant's record of leadership and service to Scouting and the community, rather than on financial need.

In 2022, students will be selected who will be starting college in the Fall of 2022. They will receive an award of \$1,250 per year from Ranachqua Foundation (2 installments of \$625 per semester). These students will be eligible to continue to receive the award for each of the following years in college (up to 8 full-time semesters total, over a 6-year period) if they maintain good standing in college and continue to be involved in appropriate community service and leadership.

#### **RANACHQUA FOUNDATION**

*Ranachqua Foundation was established in 1948 by Bronx Boy Scouts who, during the summer months, attended the Ten Mile River Scout Camps. This experience provided them with early leadership opportunities that, to a large degree, significantly affected their lives. The group grew while they worked together each summer and moved into camp staff positions. Wanting to encourage others to partake in this program, they raised funds to provide campership money for Bronx scouts who would otherwise not be able to attend. Over 16,000 Boy Scouts and Cub Scouts have received a total of over \$900,000 in campership assistance thus far. Currently we assist in providing the opportunity for several hundred boys to attend the TMR camps each summer.*

#### **HIRSCH / RANACHQUA COLLEGE ASSISTANCE FUND**

*This fund is financed in large part by an endowment from the late Rhoda K. Hirsch, in memory of her husband, Sol S. Hirsch. A graduate of CCNY, the Sorbonne, and University of Grenoble, Mr. Hirsch was a news correspondent in France and for the Reuters news agency, and an editor with the Office of Inter-American Affairs. He served as a U.S. Army intelligence officer in WWII, assigned to the Office of Strategic Services, a forerunner of the CIA, in France and Luxembourg. After the war he joined the Foreign Service, serving four years as a press officer in Paris and then Washington. His final job was as head of the editorial division of the USIA's International Press Service. A camper and member of the camp staff at Camp Ranachqua at T.M.R., Mr. Hirsch credited his Boy Scout experiences as a major influence on his success later in life. Thus far over \$440,000 has been paid out or committed to 65 grant recipients.*
